

Founded in 2013, Compass Medical Solutions is an experienced fully certified Service Disabled Veteran Owned Small Business (SDVOSB) which provides healthcare-related technical and professional services to U.S. federal agencies, Department of Defense, nonprofits, and private sectors. Our team of professionals has decades of combined experience in providing quality support services in the areas of healthcare, life sciences, information technology, data analytics, programs/project management, financial systems support, and acquisition management services. Our custom solutions are based on each customer's needs in areas including strategy, leadership, procurement, and practice, process, and project management. We dedicate ourselves to providing the highest level of quality while simultaneously pursuing cost efficiency.
